Subject: Elder Mistreatment Training

The Clinton County Office for the Aging

Invites you to attend an

Elder Mistreatment Training

Thursday - April 7th
4:30 – 7:30 PM
At Stafford Middle School Auditorium
15 Broad Street, Plattsburgh, N.Y.

Sponsored by

The New York University Geriatric School of Nursing

Speakers will include a physician, nurse and social worker in a session focused on rural communities. Contents will include: discovery, assessment, interventions, treatment, team approach, working with families, grief and loss, and working with the legal system.

Refreshments will be served.
Open to the public.

Especially intended for nurses, social workers, physicians, pharmacists, public health personnel, mental health professionals, law enforcement, judicial staff, domestic violence workers, first responders, ER staff, clergy and anyone who comes into contact with the elderly population.
