\* The Senate and House used different FY '01 figures. The Senate used the original appropriation; the House included the additional money approved in response to the terrorist attacks. This table uses the House figure.

<sup>1</sup> The Senate includes \$6 million for the Native American Caregiver Support Program.

<sup>2</sup> The Senate version specifies \$5 million is for medication management, screening and education.

<sup>3</sup> Includes Eldercare Locator and Pension Counseling.

<sup>4</sup> The Senate allocates \$12.9 million for the ombudsman program and \$5.2 million for elder abuse prevention.

<sup>5</sup> FY '02 level would maintain 48,000 Senior Community Services Employment Program slots.

<sup>6</sup> FY '02 level would increase the stipend for Foster Grandparents volunteers by 10¢ per hour.
